

Anti Slavery room 25 Cornhill

Dear Deborah

I have the pleasure to inform

you if you have not seen their arrival in the
paper; the arrival of Maria & Henry - They came
in the Sea Eagle and had a passage of 15 days.
Col Clive a descendant of Lord Clive and
Capt Lister were the only passengers besides -
Henry did not like their place of Port au Prince
and got disgusted with the whole island -
in other words I suppose he was homesick.
He is better than when he went away - Nothing
new here Anne has gone to New York - We
got your bundle - I carried the package to
J Osmonds Store - Warren is waiting to hear
from the Emperor of all the Russias before
he goes any farther - There is no particular
news yours in haste HENRY

Ms. A.9.2.3.82

Caroline thought you would think Henry
was worse and had not time to write himself
otherwise I should not have written —

Handwritten text at the top of the page, mostly illegible due to fading and bleed-through.

Main body of handwritten text, consisting of several paragraphs. The ink is very light and the paper is aged and stained. There are two large circular stains on the left side of the page.
